Response Specifics:

*** all clarification and questions be received no later than August 15, 2016 at 14:00:59 Hours (MDT)***

The RFP will close on Thursday August 25, 2016 at 14:00:59 MDT.

Opportunity Description:

The Successful Vendor will be responsible for providing consulting services, software, customization, installation and configurations, testing, training, maintenance and support and all other services related to the implementation and operation of the solution.

The services required for this opportunity will include:

- Software and/or software services to allow the creation of an enterprise Digital Signage Content Management solution for the AER;
- Associated professional services to assist AER with the initial setup and configuration of the DSCMS solution;
- Training for key AER personnel in the use and operational maintenance of the software in an enterprise environment.

***Please note that with the short-listed vendors a demonstration off-site will be required.
